### **DETAILED ACTION**

The amendment of 11/29/2005 has been entered. The prior art rejection is withdrawn in view of Applicants' amendment. Claims 2-12 remain rejected under 35 USC 112 for the reasons as discussed below.

The NON-elected Claims must be cancelled in response to this Final rejection.

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 2-12 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. There is no antecedent basis for the term "the setpoint" in Claims 2-12. This rejection would be overcome by inserting the phrase "the setpoints" to correspond to Claim 1.

### ***Allowable Subject Matter***

Claims 1 and 13-17 are allowed.

The cited prior art does not disclose or suggest reducing current setpoints for each zone; monitoring each zone of the thermal reactor to determine a minimum temperature for each zone; ramping the reduced current *setpoints* back to an original setpoint as required by the afore mentioned claims.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
